- _____ OSU full-time students, 25% off first payment (enclose proof of SP13 enrollment)

Ice is reserved on a "first come, first served" basis with a maximum of 25 skaters per session.

OSU STUDENTS

OSU students (enrolled SP13 semester either part-time or full-time) may skate on CFSC sessions but must become CFSC members (as home club or non-home club members).

PARKING

The parking lot surrounding the OSU ice rink is 24/7 pay visitor parking if you do not have the appropriate OSU parking hangtag. You may purchase a temporary parking permit at OSU Transportation and Parking (see <http://tp.osu.edu/visitorsmain/parking/permitprices.shtml> for more information) or pay hourly (\$1.50/hour) using the kiosk machines. The kiosk machines accept coins and credit cards (not bills).

MONITORS ARE NEEDED!!!

Ice monitors receive **CREDITS** toward their next ice contract. Ice monitors make sessions safe for our skaters and keep the ice costs down. They are needed on all sessions. Responsibilities include taking attendance, taking payment, playing music, and enforcing the club's safety rules and policies. Monitors receive a \$5.50 credit for each hour worked. Please indicate which sessions you would like to monitor on the ice application.

Parents, this is a great opportunity to help keep ice costs down for your skater!!! Please consider monitoring - especially if you will be sitting in the stands while your skater is on the ice.

MAKE-UP COUPONS

If a skater has to miss a contracted session, the skater may receive a make-up coupon that must be used during the remainder of the contracted period. For example, if a skater contracts for 1 hour ice time on Sundays and is out of town one Sunday, they may request **IN ADVANCE** a make-up coupon for 1 hour of ice time which must be used within the same contracted period. **Skaters MUST inform the ice chair (e-mail is preferred) prior to missing the session that they would like to receive a make-up coupon for the missed session.** Make-up coupons will be issued for **no more than two times for each contracted session** during the contracted period.

Unable to commit? Walk-on/stand-by ice can be purchased at a rate of \$7 for 30 minutes. Check in with the monitor for space availability and payment **prior** to taking the ice.

Punch cards: CFSC punch cards are offered as a convenience for frequent walk-ons. The cost is \$65 for 5 hours of ice (\$6.50 for 30 minutes).

A \$25 late fee is charged for payments received more than 10 days after the due date. Returned checks are subject to a \$15 fee. Failure to uphold your financial obligation will affect skater's eligibility to test and compete. Sessions with low registration may be cancelled. Please retain a copy of the completed application for your records.
