Contract Absences

To receive credit for a missed session, notify the Ice Chair by submitting the [Contract Ice Absence Form](#) at least 12 hours before the session.

Skaters are allotted two (2) absences per contracted day, combined into one total number of absences allowed for the contract period. Absences can occur on any contracted day. Exceptions are allowed for illnesses and injuries.

For example, a skater contracted for club ice on Monday and Sunday receives four (4) total absences for the contract period. If that skater knows in advance that they will miss four of the seven Sundays in the Fall 2 contract period, they may apply all four absences to those Sundays and receive credit for each missed session, provided they submit a [Contract Ice Absence Form](#) at least 12 hours before each planned absence.

Credits will be provided on a blue punch card, issued by the Ice Chair. The punch card will reflect only the number of credits earned for missed sessions. Credits may be used for any club ice session. Note that if a session reaches capacity, skaters using a blue punch card have the same priority as all other punch card holders. Punch cards never expire and are non-transferable.

Required Forms

[All required forms](#) (Payment Agreement, Contract Absence Acknowledgement, and Club Ice Rules Acknowledgement) must be submitted at the time the Ice Contract application is submitted. All forms can be completed by clicking [here](#).

The Payment Agreement Form must be signed by the person responsible for payment. The Club Ice Rules Form must be signed by the skater and their parent/guardian.

Late Fee for Payments

A \$25 late fee applies to payments received more than 10 days after the contract due date (October 16). A \$25 fee also applies to returned checks. Failure to meet a financial obligation to the club affects a skater's eligibility to test or compete.

See the [club rules](#) for skater priority if a waitlist becomes necessary.

Skaters may pay for walk-on/stand-by ice by:

- Each punch card = 5 total hours of ice (broken into 15-minute increments)
- Punch cards do not expire, are non-transferable, and may be used at the skater's discretion.

- Check in skaters and collect punch cards or payments.
- Enforce safety rules.

Requirements

- All monitors must complete a background check and SafeSport training.
- Returning volunteers should make sure their SafeSport certification and background check are still valid.
